## **Availability, Errors and Inaccuracies**

We are constantly updating our offerings of products and services on the Service. The products or services available on our Service may be mispriced, described inaccurately, or unavailable, and we may experience delays in updating information on the Service and in our advertising on other web sites.

We cannot and do not guarantee the accuracy or completeness of any information, including prices, product images, specifications, availability, and services. We reserve the right to change or update information and to correct errors, inaccuracies, or omissions at any time without prior notice.

## **Contests, Sweepstakes and Promotions**

Any contests, sweepstakes or other promotions (collectively, "Promotions") made available through the Service may be governed by rules that are separate from these Terms. If you participate in any Promotions, please review the applicable rules as well as our Privacy Policy. If the rules for a Promotion conflict with these Terms, the Promotion rules will apply.

## **Subscriptions**

Some parts of the Service are billed on a subscription basis ("Subscription(s)"). You will be billed in advance on a recurring and periodic basis ("Billing Cycle"). Billing cycles are set either on a monthly or annual basis, depending on the type of subscription plan you select when purchasing a Subscription.

At the end of each Billing Cycle, your Subscription will automatically renew under the exact same conditions unless you cancel it or SIA Scada cancels it. You may cancel your Subscription renewal either through your online account management page or by contacting SIA Scada customer support team.

A valid payment method, including credit card or PayPal, is required to process the payment for your Subscription. You shall provide SIA Scada with accurate and complete billing information including full name, address, state, zip code, telephone number, and a valid payment method information. By submitting such payment information, you automatically authorize SIA Scada to charge all Subscription fees incurred through your account to any such payment instruments. Should automatic billing fail to occur for any reason, SIA Scada will issue an electronic invoice indicating that you must proceed manually, within a certain deadline date, with the full payment corresponding to the billing period as indicated on the invoice.

A paid subscription completed in our iOS or Android apps can be canceled any time at least one day before each renewal date in your iOS or Android settings. Subscription automatically renews until canceled.

## **Free Trial**

SIA Scada may, at its sole discretion, offer a Subscription with a free trial for a limited period of time ("Free Trial").

You may be required to enter your billing information in order to sign up for the Free Trial. If you do enter your billing information when signing up for the Free Trial, you will not be charged by SIA Scada until the Free Trial has expired. On the last day of the Free Trial period, unless you cancelled your Subscription, you will be automatically charged the applicable Subscription fees for the type of Subscription you have selected.

At any time and without notice, SIA Scada reserves the right to (i) modify the terms and conditions of the Free Trial offer, or (ii) cancel such Free Trial offer.

## **Fee Changes**

SIA Scada, in its sole discretion and at any time, may modify the Subscription fees for the Subscriptions. Any Subscription fee change will become effective at the end of the then-current Billing Cycle.

SIA Scada will provide you with a reasonable prior notice of any change in Subscription fees to give you an opportunity to terminate your Subscription before such change becomes effective. Your continued use of the Service after the Subscription fee change comes into effect constitutes your agreement to pay the modified Subscription fee amount.

## **Refunds**

Except when required by law, paid Subscription fees are non-refundable.
